World Christian Outreach

Newsletter
June 2026

How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can anyone preach unless they are sent? As it is written: "How beautiful are the feet of those who bring good news!"
Romans 10:14-15

Faith results in works that reflect the heart of Christ

World Christian Outreach is passionate about sharing the gospel and the hope we have in Christ. But we are equally passionate about Christ's command to care for those in need. Like the two front tires of a car, both the "sharing" and the "caring" tires must be fully inflated if the vehicle is to drive straight on the narrow road.

Then the righteous will answer him, saying, 'Lord, when did we see you hungry and feed you, or thirsty and give you drink? And when did we see you a stranger and welcome you, or naked and clothe you? And when did we see you sick or in prison and visit you?' And the King will answer them, Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.' Matt 25: 37- 40

Caring: New Dawn Orphan School in Kenya

Figure 1. Boniface Mwangi

From Boniface (2010 New Dawn graduate and currently Administrator of World Christian Outreach Ministry and all its institutions, projects, and operations In Kenya):

"*There was a flurry of activity as we started the new term. This included a huge learning calendar, KSCE registration, science congress, mathematics congress, teacher seminars/retooling and so on. We're doing great in all areas and preparing for major ball games by the end of the month and early next month. The self-sustaining efforts of growing maize (corn), vegetables, beans, and passion fruit are doing great.*"

Figure 2. Form 3 Kids receive new uniforms

Boniface has made excellent progress at ensuring New Dawn school will be serving orphans for many years to come.

From Pastor Anthony (Spiritual Director and Vice Chairman of the New Dawn School Board)

RE: SPIRITUAL DEPARTMENT REPORT FOR 1ST TERM 2026 5TH JAN-2ND APRIL)

By the manifold mercies and grace of God, the first term for 2026 school calendar has come to an end successfully. Please allow us to bring to your attention the spiritual report for the term.

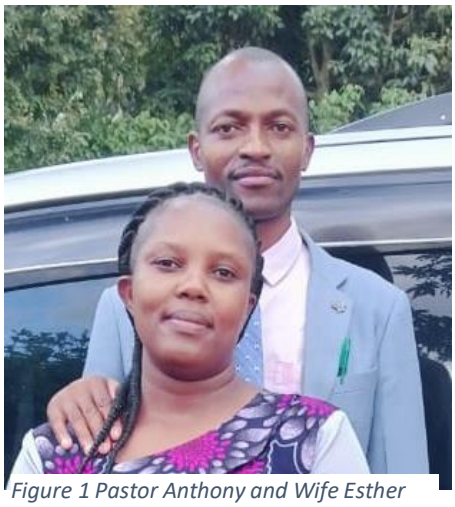

Figure 1 Pastor Anthony and Wife Esther

1. SCHOOL OPENING AND CLOSING PRAYERS.

We acknowledge that there is nothing that we can do through our own might or power. ("...Not by might, nor by power, but by the Spirit; saith the LORD of host." Zecc 4:6).It is in this respect that we sought divine direction and providence in diversity at the commencement of the term and certainly, God was so faithful for being an ever-present helper. Acknowledging the gift of a blessed term, we went back to Shiloh on the closing day to express our gratitude to Him.

2. BIBLE STUDY

During the term, the students were taken through the Doctrine of Our Lord Jesus Christ from an expositional and biographical perspective. The person of the Lord Jesus Christ was discussed and explained from the following angles;

- *The incarnation of Jesus Christ*
- *Proofs of the Humanity of Jesus Christ*
- *The Deity of Jesus Christ*
- *The Death of Jesus Christ*
- *The Resurrection of Jesus Christ*
- *The Ascension and Exaltation of Jesus Christ*

Admittedly, we are excited to report the increased enthusiasm from the students in understanding Christianity and its tenets. During our monitoring sessions, we received overwhelming questions based on the subject of the bible study. It is our humble assessment that the students are getting well-grounded and established in the Word of God. To God is all the glory!

3. WEEKEND CHALLENGE

The weekend challenge started on 6th March 2026 and came to an end on 8th March. We had a team of four members who were professionals in different areas (Teachers, a Psychologist, a Reverend and an Evangelist). New Dawn Spiritual leaders were also part of the event during its entire duration. The host and guest speakers handled specific topics according to their areas of specialization and expertise.

The weekend challenge was running under the theme ***"PAY CLOSE ATTENTION TO THE WORD****"AS IN HEBREWS 2:1*

Under this theme, the following topics were handled;

- *Peer Counseling*
- *Soul-ties*
- *Team Building*
- *Spiritual Counseling*
- *Self-awareness*
- *General Life Skills*
- *Open Topics during Revivals and Sunday service and Rally.*

We are happy to report that the Weekend Challenge was successful in that we experienced during the entire period the power of the Holy Spirit at work. We witnessed the surrender of lives by New Dawn students and prayers of deliverance and healing for the sick students for both New Dawn and the visiting school. We have faith that already God visited them. To God is all the glory!

4. COMMUNITY SERVICE DAY

On April 1, we visited a sickly-elderly family hailing within the school community-approximately one mile from the school. The sickness has impoverished the family to the point that while it was planting season in the locality, they could not afford farm inputs for their land. We were able to purchase the needed inputs and together with the students, prepared the farm and sowed corn in an area equivalent to a hectare. We took time also to clean up the compound and their kitchen. We had prayers with the family and our prayers continue to be with them for their health and general well-being. We look forward to continued community activities in the future.

The think tanks of this program had in their mind the need to inculcate in our kids virtues of responsibility, generosity and socialization among others. Borrowing from the Scriptures, "It is more blessed to give than to receive…" we hope to train the students on how to become instruments of blessing to those in need like them. The students ought also to learn from their Donor (WCO), who has epitomized the importance of philanthropy.

MAY UPDATE *By the grace of God we participated in this term's Community Service Day yesterday at a school for the deaf. We had an opportunity to share the Word of God, share some snacks, plant trees and engage in sporting activities with the kids. It was a new learning experience and an eye opener for the New Dawn kids ... Moreover, they learned a few language signs.*
To the kids abled differently, they enjoyed our visit and our interactions. Hallelujah!

Sharing: The Jesus Film is still having an impact

Bishop Mulenga reported about the most recent showings in Tanzania

Four showings in the last month

Total attendance: 240 people Total salvations: 29 people gave their lives to Christ.

Sharing: Bibles for growth and understanding

In the US we may assume if a person is a Christian then they have a Bible. This is not true in Africa. Most Christians there do not have Bibles due to a lack of access or means. There is a great need for Bibles as it allows spiritual roots to grow deeper and gives direction to their walk with God. WCO makes purchasing and distributing Bibles a top priority. Pastor Jason Rubinda is a key coordinator of our outreach efforts in Tanzania. At his request WCO provided funds to purchase and distribute 100 Bibles at Kimbe Secondary school in Tanzania

Pastor Daniel Mwakikunga has helped translate during our outreaches in Tanzania. He is also involved in missions and has traveled to Malawi and planted a church there. There was a great need for Bibles at the church. WCO provided funds for 35 Bibles. Here is his response: *"Because of your generosity, many believers—both in the newly planted church in Chiwamba and among the growing members at Area 23—will now have access to the Word of God. This is more than provision; it is a seed being planted for lasting transformation."*

Also Pastor Anthony, our Spiritual Director at New Dawn, arranged for purchase and distribution of 125 Bibles at a youth seminar in Kenya.

Mission Trip

Mark will be in Tanzania from June 28 to July 17 participating in an outreach and pastor training program with our partners from Pakistan, Portugal, and Tanzania. Kathy will then join Mark as they visit New Dawn Tanzania and New Dawn Kenya Orphan schools until July 27. Things are more difficult in Tanzania due to recent protests and political controversies. We appreciate your prayers!

Thank you! You make a huge difference by supporting these ministry efforts. Help by sending the link to the WCO website (below) to a friend and encourage them to participate. God bless you!
